

*Our Exclusive Connoisseur Collection of Daffodils and Narcissi*

**Max Sehling Seedsmen, Inc.**

• 618 MADISON AVENUE •

NEW YORK CITY

● The outstandingly beautiful collection of Daffodils and Narcissi pictured in color is an offer that is worthy of consideration by all garden lovers. The Connoisseur will delight in being able to purchase these selected and outstanding varieties at a nominal price, whereas the gardener who appreciates beauty for beauty's sake is enabled to obtain these "out of reach" varieties at practically the cost of ordinary varieties.

● Prior to last year when our offer was first made, the cost of the entire collection of three each would not have bought one bulb of "Dorine" alone, or no more than three "Lord Wellington" alone.
